Alice's Adventures In Wonderland was originally written as Alice's Adventures Underground, a story that was Lewis Carroll's gift to young Alice Liddell. It was first told orally, then hand-written and illustrated by Carroll, and finally revised and expanded upon and published in the form readers know and love today.

Enjoy this version which includes both the well-known illustrations by John Tenniel as well as Carroll's 39 beautiful original illustrations from Alice's Adventures Underground. Continue your journey with the equally whimsical sequel, Through The Looking Glass And What Alice Found There.
