Commercial Law Applied: Learn To Play The Game David E. Robinson

The principles, maxims and precepts of Commercial Law are eternal, unchanging and unchangeable. They are expressed in the Bible, both in the Old Testament and in the New. The law of commerce -- unchanged for thousands of years -- forms the underlying foundation of all law on this planet; and for governments around the world. It is the law of nations, and of everything that human civilization is built upon. This is why Commercial Law is so powerful. When you operate at the level of Commercial Law, by these precepts, nothing that is of inferior statute can overturn or change it, or abrogate it, or meddle with it. It is the fundamental source of all authority, power and functional reality.
