The Guide summarizes selected construction safety standards from the California Code of Regulations. Included are over fifty major topics, hundreds of sub topics -- every page contains "need-to-know" information, presented in an easy to use format. Mike Leuck built the "Cal/OSHA Compliance Guide" from his years of walking the job with Construction Supervisors and reviewing hundreds of Agency publications. Bonus material includes guided access to [www.oshatools.com](http://www.oshatools.com) safety publication toolbox. This Compliance Guide is intended to be a field reference for Supervisors and anyone else with safety responsibilities at a construction job site. The guide provides highlights of selected safety standards in each major subject heading within its scope and may also include best practices in safety and health.
