How to get back your life on track: Path to self discovery (Croatian Edition) Ms Sana Kakti

This book is about a journey to self discovery & self heal. How she found the way to succeed & prosper in life in the harsh realities she faced. Her journey is special because it is very simple & basic, in a manner related to each one of our journey but what differentiates is the choices she made to discover her life & get it back to a happy state. “Is the lost girl also found? Along with the famous designer?” She smiled, as she replied, “the girl is found, but she dint come for the guy, who left long back” And the life went on..... I don’t like white or the black.... For grey is the colour I choose!!! It somehow soothes me, in all my moods It just seems right after a fight Or to wipe tears off my eyes The long sleeves or the neck It just fits best at fire place It builds the mood to sing a song Or romance a stranger I hardly know I love the feel of grey It hides my skin from the tan, On a summer noon with friends It quickly dries me off the rain Or hides any stain. It makes me happy or go sad But it’s always there around To hide a tear or spread a smile Grey is my colour I shall always like!!
