The 90s were, simply put, the greatest time in the history of the wrestling business. The Monday Night Wars were underway, the NWO and the Attitude Era drove business through the roof, and professional wrestling redefined itself in ways we can still see today.

This book tells the stories of each of their roads to the top of the wrestling industry, relives their greatest moments, and looks at how each of them contributed to the business as we know it today.

This book also contains the following bonus features:

- Hulk Hogan vs Ric Flair: The Dream Match We Got, Then Wished We Never Had
- The Death Of The Undertaker
- The Resurrection Of The Undertaker
