No light is as unforgiving as the spotlight, but to be in it while being a teenager is just plain brutal. This collection of fictional short stories highlight the struggles, hopes, failures, and triumphs of young aspiring singers, dancers, actors, actresses, and performers. While these characters may feel out of place during their everyday lives, they are able to find a home onstage and in rehearsals. Woven throughout the anthology are personal anecdotes from several of today's most celebrated performers of stage, screen, and television.

Whether hilarious or romantic or devastating or suspenseful, these diverse coming-of-age stories are perfect for anyone who is reaching for the stars.
