## **First Class Package** Jay Northcote

A geeky science writer has a crush on his postman—but will he ever make a move?

Working from home suits introvert Jim until he gets a special delivery—an extremely cute, temporary postman called Patrick. Jim's drawn to his wide smile and sexy legs, while Patrick can't keep his eyes off Jim's package.

Their doorstep attraction seems mutual, so asking Patrick out on a date should be easy. There's just one problem—Jim could fit all the pick-up lines he knows on the back of a postage stamp.

As Christmas approaches, Jim knows the end of Patrick's postal-delivery contract is looming. Taking a chance might be worth it if it keeps Patrick coming to his door.

Length: 7,300 words
