This short story first appeared in the anthology *Seduction; An Interracial Romance* anthology vol. 1. The life that Rosia Banks thought she would live came to a crashing halt with the death of her husband. Now a widow at the age of thirty-seven she must either re-create her life or continue existing in the safety of her loneliness. It takes a man that she has never set eyes on and so different from any she'd ever experienced to show her the way. But is he really who he says he is? Warning; graphic sex and language.
