## **The Portuguese: A Modern History** Barry Hatton

*Combining history and anecdote, Barry Hatton paints an intimate portrait of a fascinating country and its people*

Portugal is an established member of the European Union, one of the founders of the euro currency and a founding member of NATO. Yet it is an inconspicuous and largely overlooked country on the continent's south-west rim.

Barry Hatton shines a light on this enigmatic corner of Europe by blending historical analysis with entertaining personal anecdotes. He describes the idiosyncrasies that make the Portuguese unique and surveys the eventful path that brought them to where they are today.

In the fifteenth-and sixteenth-century Age of Discovery the Portuguese led Europe out of the Mediterranean into the Atlantic and they brought Asia and Europe together. Evidence of their one-time four-continent empire can still be felt, not least in the Portuguese language which is spoken by more than 220 million people from Brazil, across parts of Africa to Asia.

Analyzing present-day society and culture, *The Portuguese* also considers the nation's often tumultuous past. The 1755 Lisbon earthquake was one of Europe's greatest natural disasters, strongly influencing continental thought and heralding Portugal's extended decline. The Portuguese also weathered Europe's longest dictatorship under twentieth-century ruler Ant nio Salazar. A 1974 military coup, called the Carnation Revolution, placed the Portuguese at the center of Cold War attentions. Portugal's quirky relationship with Spain, and with its oldest ally England, is also scrutinized.

Portugal, which claims Europe's oldest fixed borders, measures just 561 by 218 kilometers. Within that space, however, it offers a patchwork of widely differing and beautiful landscapes. With an easygoing and seductive lifestyle expressed most fully in their love of food, the Portuguese also have an anarchical streak evident in many facets of contemporary life. A veteran journalist and commentator on Portugal, the author gives a thorough overview of his adopted country.
