Peter P. Palumbo

This is volume 4 of the Comprehensive Enochian Dictionary and lexicon. It is a book of tablets and squares that can be used as meditation or working aids. It is the 5 Elemental tablets, the Seven Ancient Planets, the ten Modern Planets, the 12 Equatorial Signs of the Zodiac, the 18 Geomantic Squares that are in reality 16, the 49 7 by 7 tablets that make up the Mother Tablet and the 88 Modern Constellations in a Sphere that are around our Solar System in a sphere. The 88 can be used as charts for stars, etc., for navigation and for meditation and projection on the 48 Plains of the Multiverse. It is the modern version of the Universe. It replaces this view with the Multiverse that is basically 48 superimposed spheres of varying density. Vol 1, 2, 3, may also be useful as well as the Wizards Book of Creation and Destruction that is a spell book and magical Catechism designed to be used with the Enochian System of Science and Magic.
