Volume I - "The Master" "The Slave" "The Power" The critical theory and philosophies that underpin a consensual master-slave relationship intended to endure. It looks at mastery, slavery and exactly what power is all about in the TPE niche. Volume II "Mastery Refined: The Skills – The Issues" Mastery requires more than an understanding of power philosophies, but also knowledge of the skills to identify and address issues incumbent with TPE relationships. Learning them adds enormously to the credibility of aspiring Masters, thus enriching trust, a critical element in sustainable submission. Masters are experts, and these tools are large steps to acquiring that expertise. Volume III "Sustaining Structure – Training" Where words become things; ideas become action; and happiness is achieved in the reality of day-to-day life. No theory, philosophy, knowledge of skills, or issues is worth a pinched nipple if it cannot translate into sustainable structure. Theory and talk is over, here is how to apply a Master's values and skills into a consensual relationship with a slave, 24/7, same roof, intended to endure. A fascinating look into the BDSM culture like never before, The Devil In The Details Trilogy is a whole new perspective on the sustainability of a consensual power exchange relationship in the 21st century. Tracing his thirty-year journey through the lifestyle, the author clarifies and demystifies mastery like never before, in ways aspiring dominants can learn. It truly is a Masters mentoring series like no other. Even slaves will insist Masters read it.

Extraordinarily informative, the author analyses the BDSM continuum, it's joys and pitfalls, providing the theory and tools to live a power exchange relationship, happily over time. His understanding of the slave mind, the fundamentals of relationships, and mostly his knowledge of power and its application, is a must read for both slaves and masters alike. Everyone will learn from this. Hysterically funny, wildly erotic and as entertaining a read as there is. The anecdotal mindfucks he shares are sometimes breathtaking, deeply poignant, often hilarious and always providing a unique view into the world of sustainable, healthy BDSM. But it is the explanation of what happens inside a master slave relationship and the detailed look at the issues, why they occur, what they mean and most importantly how to address them that elevates these books in the genre. Written magically, without an air of condescension, with expertise and authority, yet he makes no claims to a definitive path on anything more than his own life. A must read for anyone considering a relationship of Master-slavery. This is a resource long needed in the BDSM community.
