WARNING This book is not recommended for readers under the age of 17 due to the use of mature language, adult content, and violent situations. This is a mature YA/Coming of age story; with New Adult theme's.

Michelle

Have you ever wished you could have something so bad, even though you knew it was forbidden? Jonathan Gates was just that—forbidden. He was everything I could ever want in a man: charming, a great listener, open-minded, and funny. It also didn't hurt that he was easy on the eyes.

We'd been through a lot together: breakups, makeups, firsts, lasts, and anything else you can imagine. I was once told he was my soul mate, but I refused to believe that.

I didn't want to love him.

I didn't want to fall for him because...he was my best friend!

But I did, and I fell for him hard. I was in love with my best friend, and it was time he knew how I really felt.

From reader reviews:

Michael Trejo:

Book is to be different per grade. Book for children until eventually adult are different content. As you may know that book is very important for people. The book Good-bye, with Love seemed to be making you to know about other information and of course you can take more information. It is rather advantages for you. The guide Good-bye, with Love is not only giving you far more new information but also to get your friend when you really feel bored. You can spend your own personal spend time to read your book. Try to make relationship together with the book Good-bye, with Love. You never truly feel lose out for everything when you read some books.

Martina White:

Precisely why? Because this Good-bye, with Love is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will zap you with the secret the idea inside. Reading this book adjacent to it was fantastic author who write the book in such wonderful way makes the content inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of rewards than the other book get such as help improving your skill and your critical thinking way. So , still want to hesitate having that book? If I ended up you I will go to the book store hurriedly.

Michael Medellin:

Reading a book for being new life style in this calendar year; every people loves to read a book. When you read a book you can get a lot of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information into it. The information that you will get depend on what kinds of book that you have read. If you would like get information about your analysis, you can read education books, but if you act like you want to entertain yourself look for a fiction books, these us novel, comics, along with soon. The Good-bye, with Love provide you with new experience in studying a book.

James Pitts:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many question for the book? But virtually any people feel that they enjoy intended for reading. Some people likes studying, not only science book but in addition novel and Good-bye, with Love or maybe others sources were given understanding for you. After you know how the fantastic a book, you feel would like to read more and more. Science e-book was created for teacher as well as students especially. Those books are helping them to add their knowledge. In various other case, beside science e-book, any other book likes Good-bye, with Love to make your spare time more colorful. Many types of book like here.
