## **Imaginations** AE Watson

In the Club of the Unknown, where the music blares and the faces are hidden behind masks, Gwyn meets a boy. Not just any boy, but one she is certain she has met before.

Only that's not possible.

Gwyn lives in the last city of men, where memories are made through repetition and yesterday is forgotten with the reset.

The world has peace, what's left of it anyway. Peace that has been gained through sacrifice.

But as behavioural school ends and Gwyn is sent out into the work force, she discovers that not everyone resets. Not everything is as it seems. The peace they live in is as fake as the masks they wear in the clubs. She starts to see that the walls surrounding the city, to keep the monsters out, might actually be keeping them in.

And maybe the boy she thought she knew, isn't what he appeared to be at all.

Don't miss this exciting new Post-Apocalyptic Romance from the author of the bestselling series The Born Trilogy!
