Into the Teeth of the Tiger

Don Lopez

Into the Teeth of the Tiger Don Lopez

Into the Teeth of the Tiger provides a vivid, pilot's-eye view of one of the most extended projections of American air power in World War II Asia. Lopez chronicles every aspect of fighter combat in that theater: harrowing aerial battles, interludes of boredom and inactivity, instances of courage and cowardice. Describing different pilots' roles in each type of mission, the operation of the P-40, and the use of various weapons, he tells how he and his fellow pilots faced not only constant danger but also the munitions shortages, poor food, and rat-infested barracks of a remote sector of the war. The author also offers keen observations of wartime China, from the brutalities of the Japanese occupation to the conflict between Chiang Kai-shek's Nationalists and the Communist movement.

This edition of Lopez's acclaimed account features new photographs, most of which have never before been published. Relating how the 23rd Fighter Group continued to win battles even as the Japanese gained ground, *Into the Teeth of the Tiger* is the humorous and insightful memoir of an ace pilot caught in the paradox of victory in retreat.
