What organization, founded in 1948 by a passionate entrepreneur and twelve loyal team members, grew to become one of the largest enterprises in the world? Today it has operations in over 100 countries, includes over 1 million team members, has raised and deployed billions of dollars in capital, and is one of the most recognized brands in history.

Is it Hewlett-Packard? Coca-Cola? Disney?

No, it is the Missionaries of Charity. And Mother Teresa was its leader.

How did this nun with no formal business training create a global brand, become a powerful fund-raising and public relations magnet, and lead a worldwide organization through every phase of growth over the course of forty-seven years? What were her secrets?

When we shift our lens and view Mother Teresa from a leadership perspective, a wonderful success story emerges, one filled with inspiration, life lessons, and impact.

Ruma Bose spent time in Calcutta working as a volunteer with Mother Teresa and her Missionaries of Charity in 1992. Over time, she discovered that Mother Teresa's success resulted from the careful application of eight simple and unexpected principles.

Through the pages of this book you will have the unique opportunity to learn these principles, share Bose's experience with Mother Teresa, and discover how to apply Mother Teresa's principles whether on a single project, throughout an organization, or in your life.
