## **My Father's Dragon Value Pack: My Father's Dragon / Elmer and the Dragon / The Dragons of Blueland** Ruth Stiles Gannett

Wit, excitement, and one-of-a-kind charm have made this classic trilogy about an ordinary boy and his extraordinary adventures a favorite for generations of readers. **My Father's Dragon** Elmer meets an old alley cat who tells him an amazing story: One day, in a faraway place called Wild Island, a baby dragon fell from the sky. Since dragons can swim, the other animals on the island captured him and have been forcing him to ferry them across a river. Elmer has a taste for adventure, and he decides to take a voyage to save the dragon. After a long boat ride, Elmer finally makes his way to the island. He'll have to rely on luck, his brains, and his knapsack full of tricks to save this mythical creature from the fierce jungle animals of Wild Island. **Elmer and the Dragon** After Elmer rescues the dragon from Wild Island, the two start the long journey back to the coast of Popsicornia, Elmer's home. But after they get lost during a huge storm, they find themselves on an island inhabited only by canaries. The birds have all become sick. The cause seems to be that their king has a secret that he won't share. It's up to Elmer and the dragon to solve the riddle of the island and save the canaries before they make their way home. **The Dragons of Blueland** With Elmer safe and sound at home in Popsicornia, the dragon continues on to Blueland, the beautiful and isolated home of his species, to reunite with his long-lost family. But when he arrives, he makes an awful discovery. A group of hunters-the first ever seen in Blueland-want to capture his family and take them to a zoo. The baby dragon is frightened. Few humans know of the existence of dragons, which is why they have been able to live safely in Blueland for so many years. To free his family and banish the hunters forever, he will need his friend Elmer's help for one last adventure.
