What happens when you uncover years of secrets and find out everything you thought to be true was a lie?

Drew Stevens finds her world turned upside down when her parents are brutally murdered. Soon after, she learns she inherited a property in Bar Harbor, Maine, from recently deceased grandparents that she believed had died when she was a baby.

Drew travels north to settle her grandparents' estate, but finds more questions than answers as the truth starts unraveling. What she didn't expect to find was Saint, whose reputation is as tumultuous as his past. But the very thing that brings them together is the same thing that keeps them emotionally caged.

With Saint's scars so deep and Drew's so fresh, can the pair heal from their painful wounds or will they be pulled beneath the darkness of their pasts?
