**She's trying to forget the pleasure in her ex's arms**

**He's doing his damnedest to remind her**

Fledgling entrepreneur Samantha Riverà is in charge of her own life for the first time and determined to keep it that way. She's attempting to banish her call-all-the-shots ex-husband, who could charm the knickers off a nun, from her dreams. Unfortunately, it's kind of tough forgetting the Zorro look-alike who's willing to do anything for her, except give her the only two things she wants--another baby and his love.

Corporate vice president Nicolàs Riverà's refusal to sire a second child ultimately destroyed his marriage. His ex-wife has no clue how terrified he is of losing her to another high-risk pregnancy. Now, Nick will stop at nothing to get his family back--even if it means blackmailing his way into his ex-wife's home--and with any luck--her bed and her heart.
