Citizen Moore: The Life and Times of an American Iconoclast Roger Rapoport

His fearless satirical assaults on formidable opponents like General Motors, the National Rifle Association and George W. Bush's White House, have made Michael Moore both a box office hit filmmaker and a bestselling author. For the first time this definitive biography traces the untold story of the 30 years of struggles and failures that led to his "overnight" success. To write this revealing, inspirational, often hilarious book, about the quintessential late bloomer, investigative reporter Roger Rapoport interviewed 250 people who played key roles in Michael Moore's life, from the nuns at his boyhood Catholic school to Ralph Nader and other employers - not to mention a seven-foot chicken! Anyone who loves (or detests) Michael Moore will find Citizen Moore an eye-opening book.
