**Welcome to the heart—and heat—of Australia...**

They say that no one has secrets in a small town—these women prove them wrong.

Eight brand-new stories from some of Australia's hottest writers in Australia's hottest genre. From the bar stools of the local pub to the wide open plains of the biggest stations in the world, these tales travel the dusty roads to the heart of Australia and the women who understand how to work hard—and play even harder.

In the latest in the wildly successful *Secret Confessions* series from Escape Publishing, the women of *Down & Dusty* invite you into their lives—and their bedrooms.

Brooke's brothers practically define over-protective, and while Brooke appreciates their concern, their efforts have left her climbing the walls in sexual frustration. But no man in town is willing to risk their ire, and all Brooke wants is one guy who thinks she is worth the effort. One guy who will stand up for himself—and for her—against her overbearing, old-fashioned family, and whisk her away to sexual and emotional fulfilment. The only issue is that the one guy who looks like he might be the one guy who broke her heart—the one guy that she can't risk falling for again.
