**The Heavenly Host (Demons of Astlan Book 2)** J. Langland  
The dishonorable, cheating Forces of Good have been defeated!

Tom Perkinje, the reluctant Greater Demon and recent transplant from Harding NJ to the Abyss has defeated and captured the not-so-valiant Sir Talarus, Knight Rampant of Tiernon and has humiliated and demoralized the army known as the Rod of Tiernon, that helped Talarus cheat in battle with Tom. Unfortunately, to do so, he had had to hack the mana streams between the god Tiernon and his High Priests, and now his buddies are telling him that Tiernon is going to send a Host to investigate this unprecedeted event.

Oh, and the fact that he reversed a Holy Artifact of Tiernon has not gone unnoticed either. The folks upstairs are not pleased. His actions have completely disrupted the plans of not only the Rod of Tiernon, but also the Sky Fleet of Oorstemoth who had thought to bring Tom to justice for illegally destroying the ship trying to obliterate Tom and his friends. The two armies are now looking to unite and rescue Talarus and arrest (permanently) Tom.

Of course, there are also the three Arch Demons trying to steal a book that Lenamare, Tom's Accursed Master, stole from Oorstemoth; and whose demon horde had been infesting the wizard city of Freehold.

So Tom has managed to anger both the Forces of Good and the Forces of Evil. However, that pales before his current problem, what exactly does one do with a hostage?
