## **Classical Myth** Barry B. Powell

Comprehensive and scholarly, this well-designed text presents Greek and Roman myths in a lively and easy-to-read manner. The material has been rearranged to make it easier to find and the new edition has been streamlined. It features fresh translations, numerous illustrations (ancient and modern) of classical myths and legends, and commentary that emphasizes the anthropological, historical, religious, sociological, and economic contexts in which the myths were told. It also provides a cultural context so that readers can see how mythology has influenced the world and how it continues to influence society today.
