## **Finders Keepers: A Novel (The Bill Hodges Trilogy)** Stephen King

A masterful, intensely suspenseful novel about a reader whose obsession with a reclusive writer goes much too far—the #1 *New York Times* bestseller about the power of storytelling, starring the same trio of unlikely and winning heroes Stephen King introduced in *Mr. Mercedes*.

“Wake up, genius.” So announces deranged fan Morris Bellamy to iconic author John Rothstein, who once created the famous character Jimmy Gold and hasn’t released anything since. Morris is livid, not just because his favorite writer has stopped publishing, but because Jimmy Gold ended up as a sellout. Morris kills his idol and empties his safe of cash, but the real haul is a collection of notebooks containing John Rothstein’s unpublished work...including at least one more Jimmy Gold novel. Morris hides everything away before being locked up for another horrific crime. But upon Morris’s release thirty-five years later, he’s about to discover that teenager Pete Saubers has already found the stolen treasure—and no one but former police detective Bill Hodges, along with his trusted associates Holly Gibney and Jerome Robinson, stands in the way of his vengeance....

Not since *Misery* has Stephen King played with the notion of a reader and murderous obsession, in this #1 acclaimed bestseller filled with “nail biting suspense that’s the hallmark of [his] best work” (*Publishers Weekly*).

“SUPERB . . . KING’S RESTLESS IMAGINATION IS A POWER THAT CANNOT BE CONTAINED.”  
—The *New York Times* Book Review

“WONDERFUL, SCARY, MOVING.”  
—*The Washington Post*
