**Published Revelations (Joseph Smith Papers: Revelations and Translations Vol 2)** Joseph, Jr. Smith Revelations and Translations, Volume 2: Published Revelations, features the Book of Commandments and the other major printed versions of Joseph Smith's revelations that were published or in the process of being published during his lifetime. Reproduced herein as high-quality photographs are the Book of Commandments (1833); the first edition of the Doctrine and Covenants (1835), including the portion that has come to be known as the Lectures on Faith; and seven additional texts added to the second edition of the Doctrine and Covenants (1844). Reproduced herein as transcripts are twenty-six complete or partial revelation texts published in the church newspaper The Evening and the Morning Star (1832-1833) and its later, reprinted version, Evening and Morning Star (1835-1836). Because these newspaper versions were produced in connection with editing and typesetting work on the Book of Commandments and the 1835 Doctrine and Covenants, they are critical sources for understanding the textual history of the revelations. This volume of The Joseph Smith Papers also includes two appendixes that provide important related material. The first is a proposed reconstruction of what likely would have been included in the final thirty-two pages of the Book of Commandments, had the print shop not been destroyed mid-run by vigilantes. The second presents selected photographs of a copy of the Book of Commandments owned by Oliver Cowdery and marked up to prepare revelations for publication in the 1835 Doctrine and Covenants. Revelations and Translations, Volume 2 goes hand in hand with Manuscript Revelations Books, the first volume in this series. Manuscript Revelation Books presents the earliest surviving manuscripts of many of Joseph Smith's revelations, the ones used by Smith and his associates in preparing the published scriptures of their day. Volume 2 presents the printed revelations in the form that most Latter-day Saints read and experienced them. Together the two volumes make the early revelations more accessible than ever before.
