Arthur Winter, his wife and daughter move to Rapture with the promise of a better life and more importantly a new start. He intends to work hard and one day be wealthy just like Ryan promises everyone who moves to Rapture. He opens a small business. For a few years things are good, almost idyllic. The good life is shattered when one day his daughter mysteriously vanishes without trace. The police of Rapture don't seem to want to help. So Arthur sets out to find her himself. He is lead down into a seedy underworld that exists below the upmarket façade of Rapture. But can he find her in time?
