When is the last time you thought about the state of your soul? The health of your soul isn't just a matter of saved or unsaved. It's the hinge on which the rest of your life hangs. It's the difference between deep, satisfied spirituality and a restless, dispassionate faith. In an age of materialism and consumerism that tries to buy its way to happiness, many souls are starved and unhealthy, unsatisfied by false promises of status and wealth. We've neglected this eternal part of ourselves, focusing instead on the temporal concerns of the world - and not without consequence. Bestselling author John Ortberg presents another classic that will help you discover your soul - the most important connection to God there is - and find your way out of the spiritual shallowlands to true divine depth. With characteristic insight and an accessible story-filled approach, Ortberg brings practicality and relevance to one of Christianity's most mysterious and neglected topics.
