Hamlet (Shakespeare Made Sleazy Book 1) Robin Qwerty

Okay, I admit it. I did not write “Hamlet” in 1599, nor would I claim to. It’s a masterpiece of modern language, and Shakespeares’ most-performed play for nearly a hundred and fifty years. As amazing a work as it is, however, one thing “Hamlet” isn’t is relatable. Instead of translating the classic tale to modern English, I’ve taken it upon myself to transform the spoiled, troubled prince’s world into something you could find in your own neighborhood-- that is, if you’re neighbors are corrupt royalty. It’s sometimes vulgar, but always sticks to the premise of the tale. In fact, it’s a line for line translation. Proceed with caution, humor, and whatever snacks you deem appropriate.
