## **Love Medicine** Louise Erdrich

The first book in Louise Erdrich's Native American series, which also includes *The Beet Queen*, *Tracks*, and *The Bingo Palace*, *Love Medicine* tells the story of two families--the Kashpaws and the Lamartines. Now resequenced by the author with the addition of never-before-published chapters, this is a publishing event equivalent to the presentation of a new and definitive text. Written in Erdrich's uniquely poetic, powerful style, *Love Medicine* springs to raging life: a multigenerational portrait of new truths and secrets whose time has come, of strong men and women caught in an unforgettable drama of anger, desire, and the healing power that is *Love Medicine*. Discover the writer whom Philip Roth called "the most interesting new American novelist to have appeared in years" all over again.
