## **Running For God: My Story** Mr. Kevin O'Shea

This is the story of my life. I am a former collegiate cross country and track runner, which is something that did not come easily for me. I was born with cerebral palsy, and have small specks of autism as well. Growing up being judged by my disability, I often felt alone in the world. Until high school happened. I was invited to join Fellowship of Christian Athletes, and later expressed interest in running cross country and track. Along the way, I accepted Christ into my life, and promised myself I would always be "running for Him." It is a story about facing adversity, and the importance of not judging. If you are facing any difficulty in your life, or feel unsure of yourself because of certain things about you, then this book is for you.
