Alice Smith loves her job as the personal assistant to Grant Anderson, even though she has only been with the company for a couple of months. Grant is sexy but his cool demeanor and ability to hide his emotions leaves Alice feeling confused, but also tempted. Occasionally she catches the sidelong glances he casts her way and can't ignore the fluttering in her stomach when he is around, though he more than intimidates her. When he gets his latest consulting assignment in Iceland, she is more than thrilled that he requests her presence. Going out of the country with a man that she finds dangerously sexy could prove to be more than she can handle. Will Alice find herself mixing work and pleasure?

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
