A People's History of the United States

Howard Zinn

A People's History of the United States Howard Zinn

With a new introduction by Anthony Arnove, this updated edition of the classic national bestseller reviews the book's thirty-five year history and demonstrates once again why it is a significant contribution to a complete and balanced understanding of American history.

Since its original landmark publication in 1980, *A People's History of the United States* has been chronicling American history from the bottom up, throwing out the official version of history taught in schools—with its emphasis on great men in high places—to focus on the street, the home, and the workplace.

Known for its lively, clear prose as well as its scholarly research, *A People's History of the United States* is the only volume to tell America's story from the point of view of—and in the words of—America's women, factory workers, African-Americans, Native Americans, the working poor, and immigrant laborers. As historian Howard Zinn shows, many of our country's greatest battles—the fights for a fair wage, an eight-hour workday, child-labor laws, health and safety standards, universal suffrage, women's rights, racial equality—were carried out at the grassroots level, against bloody resistance.

Covering Christopher Columbus's arrival through President Clinton's first term, *A People's History of the United States*, which was nominated for the American Book Award in 1981, features insightful analysis of the most important events in our history.

Oh come on, that wil happen if you have this within your hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. Use you still want to miss that? Find this book along with read it from right now!

Sally Canady:

As a student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just very little students that has reading's internal or real their pastime. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this A People's History of the United States can make you feel more interested to read.
