*The most damaged heart can fly with the right pair of wings.*

Madelyn's life is far from fairytale perfect. She is second in line for the throne of a corrupt, brutal monarchy. Or at least she was until her dark guardian sacrificed his life to hide her safely in a realm of infinite possibilities.

For years she's lived among a colony of escaped slaves as her guardian's widow. Even in this simple life, though, nothing is as it seems. Her hero kept a secret—a younger brother named Clayton Delaney. Warrior, winged demon...and the man who now wants to lay claim to her heart.

No longer cast in his brother's shadow, Clayton meets all obstacles head on, including one named Maddie. His infatuation with her reaches the breaking point when she undergoes a royal rite of passage, going into heat and pushing them both over the edge.

Just as Maddie learns that some risks are worth taking, she discovers that her guardian may be alive. And she's forced to make a choice between the man she'd thought she loved, and the demon willing to lend her his wings.

Warning: This book contains virginal angst, a hero who's too nice for his own good, wings, claws, and convenient use of glamour. It contains heartbreakng loss, conversation with a woodland creature, and sweet, sweet demon loving.
