*Some rules just beg to be broken.*

*The Bradfords, Book 2*

Sam Bradford knows a lot about women and a lot about sex. Considering how much time he's spent on both, it's no wonder he's regarded as something of an expert. So, when two women set him up with their sister for one purpose only—show her what great sex can really be like—he's definitely willing and able.

With the right tools Danika Steffen can fix anything—even her needs in the bedroom. But her sisters know that if they want her to have a happily ever after, they need to show her that there are very good reasons to let a guy closer than arm's length.

This should all be a piece of cake for the notorious playboy. It won't even violate his one-night-only rule. Until a date with Danika Steffen ends not in her bed, but with a trip to the ER.

Danika may have a broken wrist, but Sam's the one suffering...an intense case of guilt. And instead of doing things to her, he only wants to do things for her. Which would drive her crazy if not for the sneaking suspicion that Sam needs a little TLC too. And damned if she doesn't want to be the one to give it...

Warning: Contains an I'll-do-it-myself girl who can fix anything, a commitment-phobic guy who can't fix anything, and a whole new way to look at butter. Yes, butter.
