“I don’t think it’s what we will do that you will regret, but what we won’t do if you make me leave now.”

In this erotic short story, Maria is startled when her future husband's best man walks in on her getting dressed the morning before her wedding. Seeing her half undressed, he can't keep his eyes off of her just as she can't keep her hands off of him when he proposes that they consummate their forbidden love once and for all before she says "I do."
