The Good Men Project: Real Stories from the Front Lines of Modern Manhood

The Good Men Project: Real Stories from the Front Lines of Modern Manhood

The Good Men Project: Real Stories from the Front Lines of Modern Manhood is a collection of first-person stories about what it means to be a man in America today -- from Pulitzer winners and Poet Laureates to ex-cons, Pro Football Hall of Famers and just regular guys. The authors describe their defining challenges, losses and triumphs through honest and simple truths, and are hoping to spark conversations about what it means to be a good man today. Reviews "The stories in The Good Men Project are powerful, poignant, funny, and courageous. The book has what few other books dealing with the subject of what it means to be a man in today's society have: balls." - David Kohan, creator and executive producer of Will and Grace "The essays pack unusual power, just plain, healthy, straightforward, emotional power. It's wonderful that such a book exists. Such a grand and truthful rarity, it's in a class by itself." - F. D. Reeve, author of The Toy Soldier and Other Poems and The Blue Cat Walks the Earth
