### **Hood Love - A Thug's Destiny**

Tamina's childhood revolved around one person, her best friend Markus. Ever since he moved across the street she had been fascinated by him. They played ball together, went to school together, and hung out at the corner store all the time. Everyone at school would say they were together, but Markus never said anything. Tamina wanted to be with him even if it was against her mother's wishes. Markus' father was a big time gangsta but Tamina was sure Markus was nothing like him, until she came home from school one day and saw him getting put in the back of a police car.

Years later, Tamina still hasn't heard from Markus. She had moved on with her life surrounding herself with good friends and spending as much time as she could in her college text books. One night, her and her girls decided to kick it at a club, trying to take a break from life. There, Tamina meets Dante, a suave, smooth, and sophisticated young man and makes her lose her breath. He just might be the one to make her forget all about Markus.

### **Hood Love 2 - A Thug's Redemption**

With Markus back in her life Tamina continues to struggle with who she wants and what she truly wants out of her relationships. Everyone keeps trying to tell her what's best for her and what she should do, especially her Momma.

Tamina knows that things are only going to get more difficult if she keeps letting both Dante and Markus come into her life. She loves what Dante does to her body, but Markus does something to her heart that she just can't deny. Will she finally choose what makes her happy or will she end up without anything at all?
