Ataturk: The Biography of the founder of Modern Turkey Andrew Mango

In this major new biography of Mustafa Kemal Atatürk, and the first to appear in English based on Turkish sources, Andrew Mango strips away the myth, to show the complexities of one of the most visionary, influential, and enigmatic statesmen of the century

Mustafa Kemal Atatürk was virtually unknown until 1919, when he took the lead in thwarting the victorious Allies' plan to partition the Turkish core of the Ottoman Empire. He divided the Allies, defeated the last Sultan, and secured the territory of the Turkish national state, becoming the first president of the new republic in 1923, fast creating his own legend.

Andrew Mango's revealing portrait of Atatürk throws light on matters of great importance today-resurgent nationalism, religious fundamentalism, and the reality of democracy.

Ann Goddard:

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just very little students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Ataturk: The Biography of the founder of Modern Turkey can make you experience more interested to read.
