## Gospel-Centered Youth Ministry: A Practical Guide (The Gospel Coalition)

Youth ministry is an essential part of most evangelical churches. And yet, there is a surprising lack of resources written specifically for youth workers focused on viewing all aspects of youth ministry through a gospel-focused lens. Featuring contributions from a host of experienced youth workers from a wide variety of churches, this how-to manual offers guidance related to every facet of youth ministry, from planning short-term mission trips to working with parents. Theologically rooted yet eminently practical, this handbook will equip youth leaders to effectively shepherd the young people under their care—training them to live faithfully in their homes, churches, and schools.
