The 'Record Book of Complaints', from the office of the governor-general (*beylerbey*) of Rumelia, is an exceptional manuscript of the Ottoman archive. It offers a unique insight into the experience of Ottoman administration in the most important province of Ottoman Europe, Rumelia. For the first time, this important document has been translated into English and its original facsimile is reproduced. Additionally, the author provides a concise introduction to the historical context of the 'Record Book of Complaints'. This book is the first volume to appear in the *Ibrahim Pasha Fund of Egypt* series, a sub-series of the *Royal Asiatic Society Books* series.
