The Leeds Liturgy Raymond Creed

'The Leeds Liturgy' encourages Christians to worship God "in spirit and in truth" (John 4:24). It does this by proclaiming scripture teaching in a unique and interactive manner. An attempt is made to address the question; 'How can we honour God in our worship?' It helps rebuild Christianity by providing a practical worship aid and a more thorough engagement with Bible doctrine. By acting as a focus of unity, this resource could also sustain Christians during what could be very difficult times of persecution and mass deception. Specific sections are geared to helping Christians to discern the will of God by receiving and checking any guidance from the Holy Spirit. Objective tests are provided in order to help in the assessment of spiritual occurrences. Two articles at the end, argue that bible-based liturgies and creeds can be legitimate means of encountering God.
