You Have To Kiss a Lot of Frogs Laurie Graff

Forty-five-year-old actress Karrie Kline doesn't usually lose a lot of sleep over her age or her single status. But after one too many bridal showers, a notice on her apartment, an expired unemployment claim and her acting prospects drying up—too old to play the ingenue, too young for the role of matriarch—she's awake at 2:00 a.m. and determined to get perspective on her life. Starting with the men she's dated.

From the man whose parents loved her more than he did, to the famous actor who had more bark than bite, Karrie traces back through her love life to uncover how her experiences have shaped her and how to find meaning in the past.

Told with warmth, wit and poignancy, *You Have To Kiss a Lot of Frogs* shows how to face your memories—even the darkest, most secret ones—with courage, humor and hope.
