Faith Hope & Fury (Faith Hope & Fury Trilogy 1) Laura Antonelli

The mind processes the highs and the lows of life that pass through our conscious and our unconscious thoughts. That process becomes a balancing game cancelling out the extreme highs with extreme lows or sometimes by throwing us into a state of denial. When that happens we simply retreat from our reality or make one up. Faith was on a high. One of the highest- All consuming love. She had a vision of how life would be. It didn't happen. The Mind in its infinite wisdom will always protect itself first.
