From Elsewhere takes a close look at the most radical New Age group--those who claim extraterrestrial (ET) identity. Adapted from the Ph.D. research of Scott Mandelker through 25 interviews, From Elsewhere follows the lives of 25 'Wanderers' from their unusual childhood to the rare events that lead to an extraordinary sense of self. Detailed case stories trace their growth from confusion to clarity, dealing with society, intimacy, and life-mission. Their ideas on UFOs, human history, and the fate of planet Earth make fascinating reading.
