Neal Adams Presents: Bucky O'Hare And the Toad Menace Larry Hama, Michael Golden

This new BUCKY manga format collection is fun for kids and adults alike. The book features the original Larry Hama and Michael Golden graphic novel. Additional material drawn by Andre Coates and Joel Adams, and written by Peter Stone, find Bucky O'Hare and the valiant crew of the good ship Righteous Indignation battling the Toad Menace to save O'Hare's home-world, Warren. The entire planet has been turned into a swamp, and the peace-loving rabbit inhabitants have been enslaved. To save his home and his people, Bucky must marshal his forces and create the greatest weapon the Aniverse has ever imagined...the Harecraft Carrier!

Bucky has been a huge fan favorite since the run of his cult TV show in the 1980s, and this funny, cool graphic novel will have fans of anthropomorphic superheroes everywhere hopping down the bunny trail to get the book. This collection bridges the original graphic novel and the TV show to create one cohesive and fun manga style book.
