Storm Cunningham

Across the globe, developers, investors, planners, civic leaders, community activists, and entrepreneurs are tapping into the \$2 trillion market of the 21st century's most exciting trend-rewealth. By renewing what's already been developed and repairing damage done to natural resources, we are turning a 5000-year legacy of depletion and destruction into a \$100 trillion worldwide inventory of restorable assets.

In *ReWealth!*, redevelopment expert Storm Cunningham reveals a vast new realm of fast-growing, highly profitable opportunities to revitalize our communities and our planet. He outlines the practices and strategies that achieve rapid, resilient renewal, generating tremendous wealth-not to mention personal satisfaction and happiness-through remarkable career and investment options.

Cunningham explains the three proven, universal principles that, when combined, enable nondestructive, unlimited economic growth that actually *heals* nature and society. He shows how you can generate rewealth by replenishing natural resources, rebuilding communities, redeveloping polluted land, restoring structures, and revitalizing economies.

You'll discover how to

- Create a renewal vision, a renewal culture, and a renewal engine within a community
- Earn a living reversing crises in energy, food, poverty, disease, culture, climate change, and more
- Create faster, more effective, better-funded, and more sustainable economic growth through renewal partnerships
- Fuel your education, career, and lifestyle through renewal activities
- Avoid "bad" public-private partnerships during revitalization

You'll also read the inspiring personal stories of the people and organizations that restore our world: from James Aronson, who is helping Africa shift from dewealth to rewealth; to two cities that pioneered a universal model for community revitalization; to two young friends whose \$10 million tea company restores jungle habitats and tribal lands in three nations.

*ReWealth!* will help you, your organization, and your community make the world healthier, wealthier, and happier through rejuvenation.
