## **Lord Haversham Takes Command** Heidi Ashworth

Lord Haversham feels as if he is always running, first from Lord and Lady Avery, his foolish parents, then from the consequences of a schoolboy prank gone awry. Now a secret service agent to the young Queen Victoria, he has run back to England from traitors who seek his life. Little does he know he is running into danger of a different kind; the perceptive, sapphire-blue gaze of his childhood love, Miranda Crenshaw. How is he to win her heart without giving away his secret and endangering the life of the Queen? Mira's parents, Sir Anthony and Lady Crenshaw, had always assumed their daughter would wed her lifelong friend, Harry. However, when he returns to England after a long absence, gone is the boy they had known and loved. Instead he is Bertie, a silly fop exactly like his flibbertigibbet parents. As such, her parents feel obliged to wed her to George, the young Duke of Marcross, whom Mira despises. Instead, she dreams of the man Harry was meant to be. When she catches a glimpse of him beneath his silly facade, she must find a way to persuade her parents he is the man for her--before he once again runs out of her life.
