**Second Hand Heart** Catherine Ryan Hyde

"A fascinating premise and a lovely book. Highly recommended." -Chicklittings

"Heartwarming and Heartbreaking...Plan to read Second Hand Heart when you're ready to stay awake all night (with a box of Kleenex) - you'll want to read it straight through to the end." -Catherine Gallegos, reader review

"A compelling, thoughtful read." -Choice Magazine

"A first-rate read! ... Second Hand Heart is a great book about surviving despite the odds..." -Leah Graham, Chick Lit Reviews and News

Can a heart remember the people it once loved?

By Catherine Ryan Hyde, the bestselling author of PAY IT FORWARD and 18 published and forthcoming books, SECOND HAND HEART is a warm and wonderful novel of love, unexpected chances, and inconceivable loss--of learning to live for the first time, and learning to live all over again.

Vida is 19 and has a life-threatening heart condition. Richard is 36 and has just lost his beloved wife in a car accident. When Richard is invited to the hospital to meet the young woman who received his wife's donor heart, Vida takes one look at him and feels she's loved him all her life. Is Vida just a sheltered and confused young woman? Or is there truth behind the theory of cellular memory? Can a heart remember, at least for a time, on its own?

An unusual and surprising love story, SECOND HAND HEART is a compelling page-turner that will appeal to fans of Jodi Picoult and Nicholas Sparks, and to anyone who has ever been curious about the limits of love and death.

"Everything about this book is unexpected. You think you're in for one thing, but you get quite another. The characters don't behave the way I thought they would, the story unfolds in a landscape utterly different to where it begins and instead of being pleasantly entertained by a sweet story...I found a moving lesson about living as oppose to just existing." -Catherine, Caffeinated

"A Compelling Novel From A Wonderful Writer... If you haven't read any of her novels, then WHAT ARE YOU DOING WITH YOUR TIME??? You're missing out on a lot and I highly suggest you hurry and pick one up. And why not start with her latest, Second Hand Heart?" -Brent Taylor, reader review
