**The Torc of Anubis (Dawn Child Book 1)** K. Ione Kellerhals

There are no angelic choirs, no gospels, no hymns. Liadan Aswarde is not that kind of avatar.

For thousands of years, through hundreds of lifetimes, Liadan has protected Humanity as the Guardian of the East, avatar of the goddess Inana. Part of that job includes protecting the barrier between realms formed when the great races of Earth were separated. Man was given the Earth realm while Fae, Angels, and other—sometimes darker—creatures were given realms of their own. Now the Torc of Anubis, one of the Seals used to maintain the barrier, has fallen into shadowy hands. Rifts are forming. Zombies are rising. Stalked and betrayed, Liadan must do what she does best: save the world.

Dawn Child: a myth in modern times.
