Alan Clarke

Evaluation Research: An Introduction to Principles, Methods and Practice Alan Clarke

Providing students and practitioners with a comprehensive introduction to evaluation research, this book shows how social research methods and methodologies can be applied in a variety of evaluation contexts.

The author:

- illustrates the contribution both quantitative and qualitative methods can make to evaluation;
- stresses the important part played by theory in the evaluation enterprise;
- introduces some of the conceptual, methodological and practical problems encountered when undertaking this type of applied research, especially in the areas of criminal justice, health care and education.
