Ahmed Abaza

Fearlessness and boldness challenge's any Islamic clerics of the hidden truth behind Moslem beliefs that are veiled in foreign languages to prevent widespread, international scrutiny. Bound to create uproar by uncovering controversial passages in the Koran! The Mohammed said that the paradise is under the shadow of swords. Al-Boukhari, Jihad and seier 2607. Ahmed Abaza traces his steps as a young Moslem through his transformation into a young Christian. While struggling and agonizing with his soul to find the truth as to what he was taught as a Muslim child and his new findings as a Christian. Sharing his horrifying experience of torture and isolation. His journey begins in Egypt where he was born and raised, of a very famous, influential and well known Moslem family. At age 6, he experienced his first contact with Christianity. At age 17, he began his conversion that lead to imprisonment, torture and the intense path to refuge, escaping the society that haunts and follows him. You will read about his profound experiences with the Lord, which faithfully encouraged him, also about his family's attempts to stop his conversion through imprisonment and torture to prevent disgrace to the family name. I was not convinced after all that, was it a joke? The Lord of Glory? Who is this Lord of Glory? Is He Allah? I found myself hanging from my feet upside down with an iron chain from the ceiling like a slaughter animal! What crime have I committed against society, but the crime of choosing the Light as my own belief? Section II focuses on Islam, the Koran and beliefs that were concealed during his youth (as well as for the average Moslem)! His journey not only tells his story, but also sheds light on the Middle East's torture and killings of Ex-Muslims.
